

200W / 250W / 300W Induction Flood Light

Model No: ILFL

| Model No: | Lamp Wattage | Voltage | Lumen | Colour Temperature | Fitting Size(mm) |
|--------------|--------------|------------|----------------------------|--------------------|----------------------------|
| ILFL-200C-C2 | 200W | AC200-240V | 14000 to 15000lm for 5000k | 2700-6500K | 602mm(w)x380mm(h)x245mm(d) |
| ILFL-250C-C2 | 250W | AC200-240V | 18000 to 19000lm for 5000k | 2700-6500K | 702mm(w)x380mm(h)x245mm(d) |
| ILFL-300C-C2 | 300W | AC200-240V | 22000 to 23000lm for 5000k | 2700-6500K | 702mm(w)x380mm(h)x245mm(d) |

Features of Induction Lamp:

- * Instant start up.
- * Lamp Life up to 80 to 100K hours
- * Non Mercury as using solid amalgam
- * No Flash and no glare
- * Power factor of >0.98
- * Dimmable to 50% (Optional)
